AUTHOR DECLARATION

I/We, the undersigned author(s), hereby declare and confirm that:

1. The submitted manuscript is an original scholarly work.
2. The manuscript is not under consideration elsewhere.
3. All authors have approved the final version.
4. The manuscript does not infringe third-party copyright rights.
5. Necessary permissions have been obtained for copyrighted material.
6. Ethical requirements and research integrity principles have been followed.
7. Funding information and conflicts of interest have been disclosed.

COPYRIGHT STATEMENT

The author(s) retain copyright ownership of the published work. Upon acceptance and publication, the author(s) grant ICME Journal of Laboratory Medicine a non-exclusive license to publish, reproduce, distribute, archive, and communicate the article.

OPEN ACCESS LICENSE AGREEMENT

The published article will be distributed under the Creative Commons Attribution 4.0 International License (CC BY 4.0). Readers may access, copy, distribute, and reuse the published work with appropriate attribution.

AUTHOR WARRANTY

The author(s) confirm that the manuscript contains accurate information and does not violate the rights of any individual, institution, or organization.
